

# 2016 Theater Without a Net

## *A Midsummer Night's Dream*

### Family Program Display Ads & Patron Page

Family ads are a great way to share a personalized message with your student and show support for all the hard work that the cast and crew have put into this year's production of *A Midsummer Night's Dream*. Relatives, friends, neighbors, pets--all are invited to submit display ads. An ad can consist of words, graphics, or both. If you want to design your own ad, that's great! If you need help with graphics, we're happy to design something for you (using your words).

Do you want to support Theater Without a Net but don't wish to purchase a display ad? New this year, we will include a TWON Patron list in the program for \$10 per listing. Simply provide us with text for your listing and you're all set. If you purchase a display ad you will automatically be included on the Patron list as well.
